LINDEN LEGEND '82

Left to Right: Mrs. Barbara Collard, Mrs. Barbara McCormick, and Mrs. Helen Kuciemba. Posing for this picture may very well be the only time this year these three ladies are not busy. Somehow, in the midst of all the chaos, they manage to keep the school operating smoothly. The teachers, the administration, and the students would like to say, "THANKS."

Mrs. Kuciemba started in the hool system by subbing parttime. he got a permanent position 8 years go. Her present position is Office anager and she works directly with e principal.

Helen always has a smile and a iendly ***hello*** for anyone who comes to the office. She likes working round students and finds her work hallenging and satisfying.

Mrs. McCormick has been at the High School 4 years. She is a secretary to the counselors and she operates the main switchboard for the school system.

Barb likes everything about her job, especially the constant interaction with people. As a matter of fact, she says, "I love it." And we all love munching the peanuts and candy from her desk.

Mrs. Collard handles the attendance, as well as, a variety of other secretarial jobs. She has been in the district 3 years.

She feels that the kids are what makes her job exciting. She has a great sense of humor and loves a good joke.

The Days Of Our Lives

As the '81-82 school year begins at LHS, a Soap Opera — like drama unfolds, and many serious questions lay heavy on the minds of the student body, such as —

Will Mr. Kerner have the patience he needs to survive another year? And will he be able to reflect back and say, ***"All My Children*** have been especially good this year?"

Will the teachers take the students from the ***Edge of Night*** into the dawn of a new day by providing the ***Guiding Light,*** they so desperately need?

Will the seniors stay around home or will they head for ***Dallas*** in their ***Search for Tomorrow?***

Will the Linden Sport's ***Dynasty*** once again dominate the G.E.C.?

Will the students give enough blood at the Linden ***General Hospital*** to make the Blood-Mobile a success?

Will the Student Council keep pace ***As the World Turns*** and make the necessary decisions to improve the quality of school life?

And finally, will the Yearbook Staff reveal the answers to these important questions and capture the true reality of student life, as they present an illustrated memory of ***THE DAYS OF OUR LIVES?***

Let The Day Begin

From left to right we see students enroute to another enlightening day of school. You can read the excitement in their faces and the cold wait outside for the bus does not dull their anticipation of the day ahead. Just look at expressions on the faces of those students getting off the bus, they just can't wait. Even broken legs can't keep them away.

Finally, they hurry through the doors of the school with the joyful thought in their minds — first hour is only minutes away!

Eagles Capture G.E.C. Crown

At the beginning of the 1980 football season, many people were critical of the new coaching staff, especially after a loss to rival Fenton. But as the season went on the team gained momentum and won their last four games including state ranked Hamady.

The 1981 season opened with a great deal of enthusiasm as the Eagles trounced rival Fenton by a 41-13 score. Soon afterwards the team was rated 5th in the state, and went on to win 11 straight games over a two year period. Falling to Montrose by a 20-25 score, crushed the Eagles hope of a perfect season. With one game left the seniors gathered up their pride to crush Hamady 40-0!

Our gridders finished as Co-Champions in the G.E.C. and once again had the #1 defense and improved their offense to rank #1 also.

The Eagle secondary which picked off a record 22 passes in 80, again had a great year with 19. The running backs each had an equal chance to carry the ball. Linden's linemen where the smallest in the league but had an outstanding year. All of these are nice but the bottom line is the Varsity Football Team success came from teamwork!

J.V. Football

The Junior Varsity Football team enjoyed a very successful season by wining 8 and losing only one. After losing the season opener to Fenton, the J.V. Eagles rebounded and won the next eight in a row. Hard work and a great attitude towards the games helped the Eagles to obtain success. Sophmore, Vic Millington, led the Eagles in rushing by going 779 yards in 8 games. Quarterback Al Marsh, directed the offense effectively by throwing for 5 touchdowns and running for 7 more. Hats off to Coach Smith for doing a fine job with the offensive line. Not only did the Eagles have a potent offense, but a stubborn defense led by linebackers, Wayne Berry, Tony Torres, and safety Mike Ackley. They held opponents to less than a touchdown a game.

Cross Country

"The Ten Year Dynasty"

The 1981 Cross Country Team again enjoyed a fine successful season. The Eagle Harriers were undefeated in their dual meets with a record of 9 wins and 0 losses, and ran their winning streak to 25 straight meets. The last time Linden lost was 1979, when they dropped a heartbreaker to Atherton by one point. The high point of the season came on October 28, when the Eagles captured their 10th straight League Championship. The Saturday before, Linden took second on the Regionals and qualified for State. The Eagles had one downfall however, they could have done much better in some of their Invitational meets. In spite of that, the Eagles still won the Brandon Invitational and the Linden Invitational. A very disappointing showing at the State Finals was the only other downfall to an otherwise very good year. Linden finished 20th in the State meet.

1972 was the beginning of Linden's dominance. Linden has won or tied for the League Championship for the past 10 years. Jim Starrs started the first cross country team in 1970. He coached the team to finish 1st in League, 1st in the Region, and 2nd in the State in 1972. In 1973 Coach Starrs turned the job over to Pete Maas, who is still coaching. Mr. Maas coached the team to the same record as Jim Starrs did the previous year. Coach Maas presently has a coaching record of 88 wins and 8 losses in dual meets. He has also coached nine of the ten League Championship teams. Besides winning League the past ten years, the Eagle Harriers have qualified for State 5 times. They won Regionals in 1972, 73, and 74, and placed second in 1980 (by one point) and 1981. The Eagles have finished 2nd, 2nd, 11th, 17th, and 20th in the state respectively. Linden has produced many great runners and teams since its start and promises to do so in the years to come.

Running Toward

The Girl's Cross Country Team had a very successful season this year, despite the fact that three of the runners could not compete for a good part of the season. Tammy Edwards and team captain Robin Bryl missed the first part of the year due to injuries, while Sharon McRill was forced to end the season early. With encouragment from their coach, the runners finished the year with an exceptional dual meet record.

VARSITY BASKETBALL

Kelli shows her height against an Atherton opponent.

At age 30, Linden girls' Basketball coach Cliff Totzke was a success.

Our sports society usually judges success upon how much a team wins, and in that respect, Totzke has seen only limited good fortune. But beyond that he has built a team atmosphere that was unequalled among the four area squads.

Although Fenton, Holly, and Lake Fenton all had fine programs and good records to go along with them. For some reason, the Eagles were different.

Watching Linden play, we were reminded of that "We are Fah-mily" craze made popular by the Pittsburg Pirates a few years back. The fundamental difference between the two situations is that here there was no dancing in the streets and, well, not as much winning.

The Linden girls were a closely-knit family. There was a lot of hugging and hand-holding in the huddle, and always plenty of smiles.

One gets the idea that the Eagles were really having fun out there, and that winning wasn't as all important as it's supposed to be.

WIN OR LOSE, WE'RE STILL A SUCCESS

This year, the Linden Girls Varsity Basketball team finished an impressive 6th place in the Genesee County League with a 6-8 record, and an overall 9-13 record.

The team at Parent's Night!

The Lady Eagles started out the season disappointing, losing three non-league games. The girls picked up the tempo and went on to win many of their next games. Highlights included: a one point victory over Goodrich; defeating area rival, Lake Fenton and slashing state ranked New Lothrop 37-32. The biggest win for the team was a very impressive victory over league champs, the Hamady Hawks.

The team also accomplished something special in District tournaments as they defeated Brandon 53-39, but went on to be defeated by Hartland.

Special Awards given this year went to Linda Millington, Coaches Award; Debbie Johnson, Most Valuable Player; Lisa Schaefer, Most Improved; and a special defensive award to Junior, Sheryl Urban.

Other awards were also given to Kelli Hintz for First Team, All League. And to Lisa Schaefer and Debbie Johnson for Honorable Mention, All-League.

Special recognition was given to Gary Pederson, Ms. Judy Stoeri and Mrs. Julie Totzke, for their help in making the team a success.

Girls J.V. Basketball

persistence n. (Websters Dictionary) 1. Continuing especially in the face of opposition, etc. 2. Continuing to exsist or endure.

With persistence and enthusiasm as their foundation, the girls J.V. Basketball team exceeded all records set by previous Linden J.V. squads.

However small the 5-15 record, the girls were led with outstanding performances from each individual team member.

With her consistent "outside-swish" Captain Lynette Wolverton rallied at the boards with 164 points.

Stabilizing the squad with her ball handling abilities Kristy Mann led the team with the most steals and assists.

And after a prolonged injury Anastasia Kogut returned to credit herself with the most rebounds.

Defensive strength was Tracey Tunningly's contribution to the team, as she continuously supported the team in rebounds, steals and assists.

Donna Augustine received sportsmanship award for her marvelous spirit. Lynette Wolverton received the most valuable player award. Robin Hickox the most improved player award.

GIVE ME AN "L"

The Varsity Cheerleading Squad, coached by Mrs. Colangelo, had a very successful year. The squad consisted of 8 members during football season, while there were only six during basketball season.

The girls attended the USCA Summer Camp at Western Michigan University. They learned many new cheers, mounts, and stunts. In the overall competition they placed 4th.

Besides bringing out the spirit in the fans, the girls also demonstrated their all-round skills by performing a glove routine to "Back in Black," and a spirit promoting Halloween skit, at a football pep assembly. During basketball season, the slightly smaller squad proved to be just as talented as they accompanied the pom-pon girls in a routine to "Working Class Dog," and "punked out" while cheering for the popular rock station, 105 FM, at the D.J./faculty basketball game.

At this year's banquet, awards were presented to Denise Rodgers as the Most Valuable, Heather Tunningley as Most Improved, and Teresa DuBois received the Coaches Award.

The 1981-82 Junior Varsity Cheerleading Squad proved to be a group of very inspiring girls as they worked to spread spirit throughout the school year. The girls cheered for the J.V. football and basketball games, and gave support to these and other sports by decorating the school with spirit signs. Mrs. Ryan coached the squad of seven and helped to make it a success.

The girls spent many hours of practice preparing for the seasons and attended a U.S.C.A. Camp at Waldenwood. While at camp they learned new cheers and competed with other squads.

Awards went to: Karen LaForest — Most Valuable; Jill Sherman — Most Improved; and Kim Poland — Coaches Award.

Linden Hockey

The Eagle's Hockey team did exceptionally well by starting out the season with 10 consecutive wins, but gradually lost their momentum but not their spirit. An increase in penalties against the team and injuries to the Magalski brothers played a large factor in the Eagles's temporary downfall. But pulling themselves together, the Eagles went on to end the season with a very respectable 15-8-4 record. Linden entered the playoffs in the 2nd round by virtue of a bye, and went on to defeat Pickney, but then failed to get by Hartland, making Linden's first time in the play-offs a disappointing one.

The 1981-82 Hockey team consisted of a lot of all-round talent with Doug DuBois, Tim Whitten and Mike Wood leading a strong defense, combined with Chris Beckman and Scott Morse on the offensive attack. This blend of offensive and defensive talent was best displayed in Linden's victory over Lapeer East. When it seemed the Eagles had lost, for Linden was trailing with a score of 0-4, The Linden's defense held Lapeer East to their 4, while the offense came from behind to score 5 unanswered goals, making the final score 5-4.

Special awards for All-League were given to Chris Beckman and Scott Morse, 1st team; Tim Whitten, 2nd team; and Al Dickenson and Mike Wood for Honorable Mention. A special thanks from the team to Coach Wood was given for his overall support and great coaching.

Wrestling

Early in the season it seemed 1981-82 was the time for the Eagle wrestling team to put it all together. For three consecutive weeks the Linden grapplers scored over 100 points in tournaments, finishing no worse than 5th and garnishing many individual honors.

But then, one misfortune after another struck the matmen.

Illness, injury, transfers, and ineligibility all aided the depletion of the varsity line-up for the last two-thirds of the season. While there were some memorable moments, such as a victory over arch-rival Lake Fenton, the team never fulfilled the early promise it had shown. Though they put forth great effort, Linden's young replacements just could not fill the voids.

Everything was not gloomy, however. Senior Joe Gould defeated a defending state champion. Seniors Adam Earls, Joff Mishall, and Jim Coleman had very productive seasons. Sophomores Dave Freeman and Wayne Berry proved to be solid performers and freshman Chuck Hall improved steadily throughout the season.

Junior Players included front liners, Julie Buxton and Gina Jenkins, defensive players Kay Carnes and Anne Barron and all around players Colleen Weston and Laura Wasik. Versatile sophomore, Tracey Tunningly, completed the squad.

Linden received honorable-mention state-wide recognition throughout the season, as they competed against most of the states top rated teams in a tough and highly competitive schedule.

Team stats for the season included an impressive overall 91% serving mark, 83% attack, 52% reception and 91% in setting.

Four year starter, Debbie Johnson, led the '82 Eagles in the categories of setting and reception. Also Kelli Hintz, a three year starter, led the team in serving and spiking, blocking and kills. Denise Ludwig, a two year player, led Linden in ace servings.

All League players included two time first teamers, Kelli Hintz and Debbie Johnson, Denise Ludwig, Gina Jenkins and Colleen Weston, who received honorable mention accolades.

Representing Linden on the "All Area" team were: Kelli Hintz (captain) and Debbie Johnson on first team and Denise Ludwig, Gina Jenkins on the second team.

The 1982 Girls J.V. Volleyball team had a great season. The Team consisted of 13 sophomores and 3 freshmen. The season was ended with a 13 win, 2 loss record. Mrs. Wilson felt each girl was an essential part to the teams success. This Squad was loaded with talent. The Varsity will be able to sustain their winning ways with this group headed their way. Yes, Ms. Findlater is smiling.

Pom Pon

The Pom Pon squad started out their season by attending Badgerette Camp at Albion College. At camp, the squad took three 1st places and 2 second places when competing. They attended two clinics where they took a 3rd place trophy in Speed Learning and a 3rd place for their kick line.

Their success at camp was reflected in their performances at the home basketball games during the year. Even when the games were a little dull, the crowd had an enjoyable and quality half-time show to look forward to.

The squad ended their season with a banquet, giving out awards to: Jennifer Hice, most outstanding; Mary Jane Arndt, highest kick; Jennifer Hice, Creativity; Kathy Lucky, sunshine award; Kathy Lucky, most improved; Jackie Stiff, practice award; Wendy Horner, Showmanship; Brenda Baldwin, coaches award.

Linden Legend

This year's yearbook staff worked hard to produce, wha they feel, is one of the best and most original yearbooks eve The theme of the yearbook was "Soap Operas". They tried t incorporate this theme throughout the yearbook by sublte re ferences to the titles of the most popular daytime and nigh time soap operas.

They also attempted to keep the yearbook on an upbeat wit several spots of humor, especially in the introduction and th ending sequence of pages. Adding to the humorous side a several illustrations done by Steve Climer. His talents reall shine in the faculty section where Steve did caricatures of a the teachers.

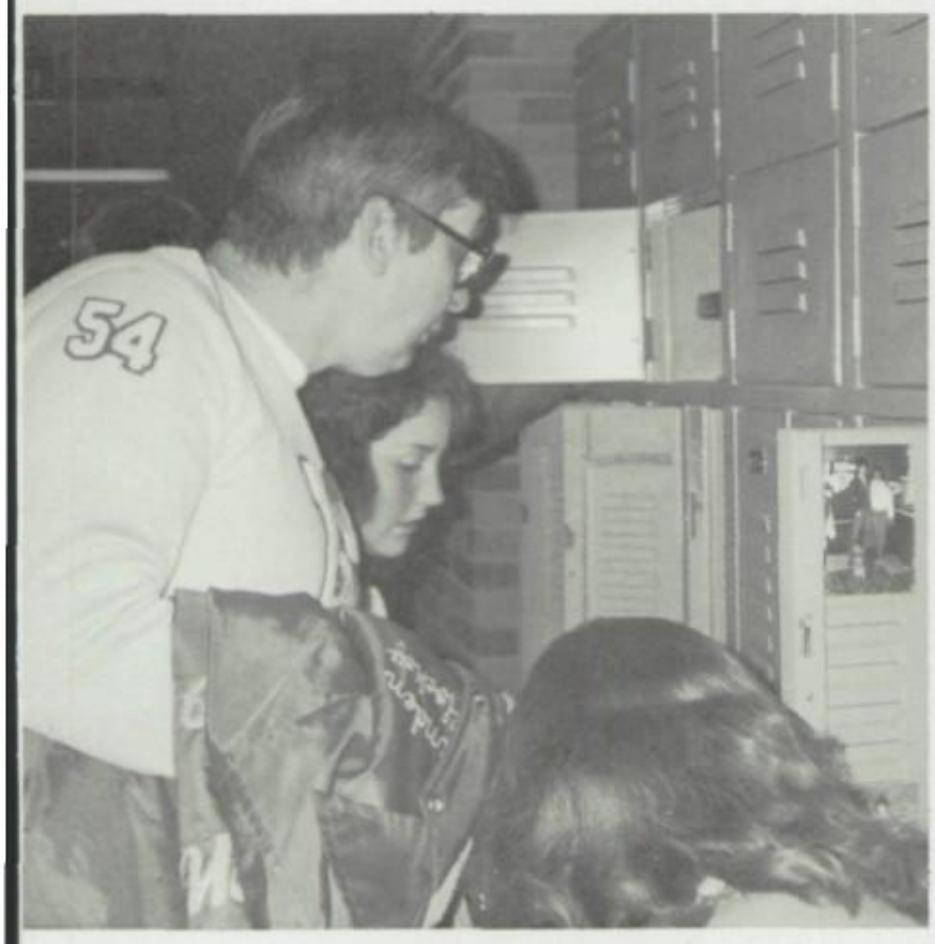
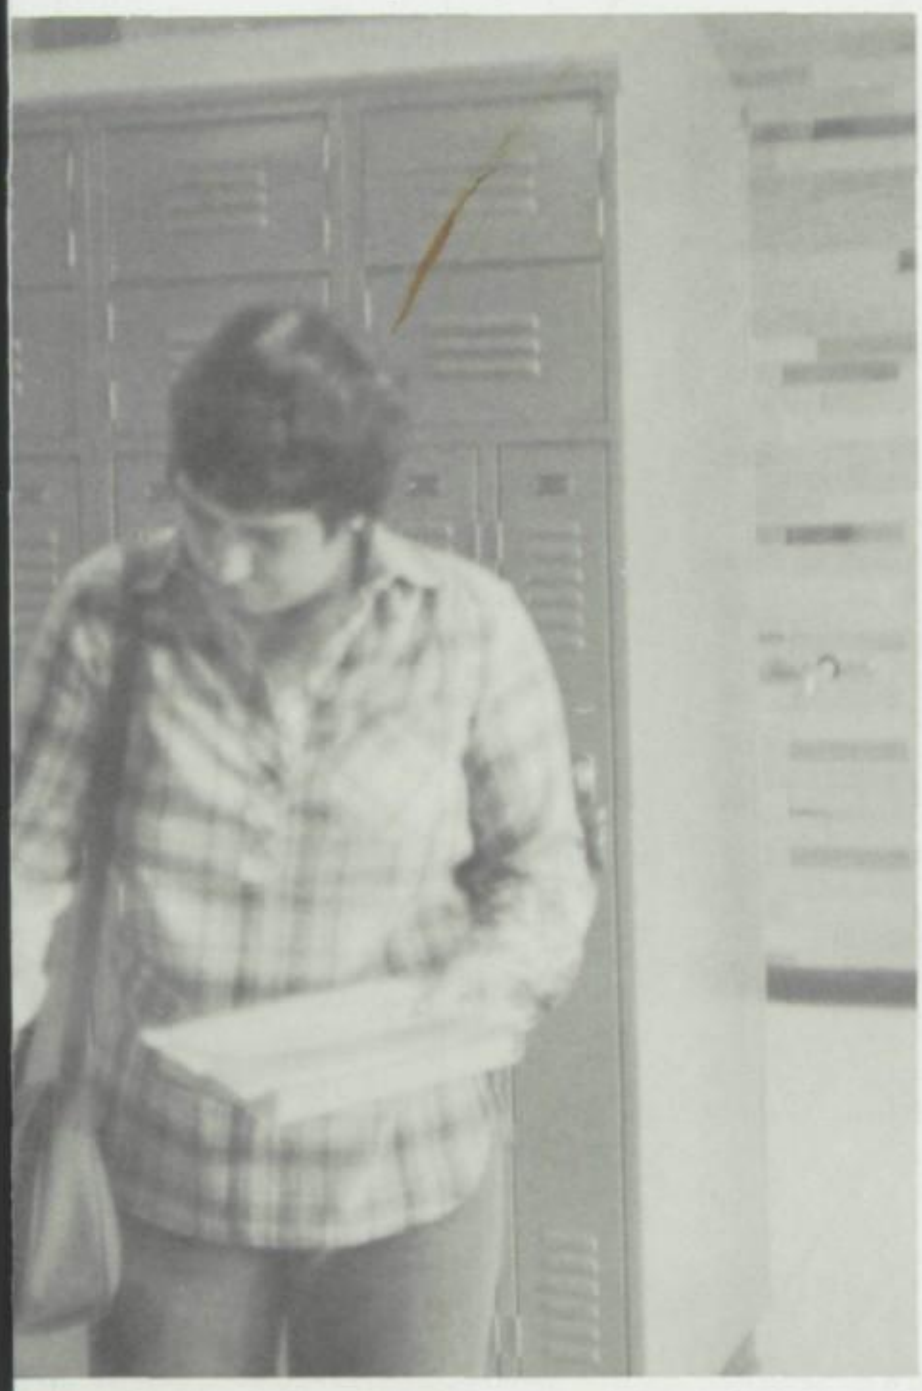
O.P.P.S. Day 1982

Operation Parent Pupil Switch



Now here's your locker Mr. Sass.



Let me see, 21 left, 4 right and ???

On April 14th, Linden High School sponsored Operation Parent-Pupil Switch. This was a day where parents switched places with their sons or daughters and had the opportunity to see how the school operates from the inside.

The parent actually was student for that day. They did everything the other students did including: riding the bus to school, being marked tardy, participating in class discussions, completing assignments and oh yes, enjoying the school lunch.

The OPPS day was a real success and we are looking forward to seeing even more parents participate next year.

Mrs. Pasucci thinks this is fun.

Vocational

In the face of continual cutbacks, the High School managed to offer a pretty fair vocational program. As the job opportunities have dwindled, the students more than ever, needed these programs to gain some practical job skills and experience to help them enter the job market.

Many students, however, were able to get jobs, while still in school, by participating in a vocational co-op program. The poor economy and reductions in placement personnel made getting jobs more difficult, but the ones who were able to find employment gained a great deal from their work experience.

Pictured here are a number of students in vocational classes and on their co-op jobs. They are either working at or being trained in areas of auto mechanics, small engines, clerical, bookkeeping, sales, carpentry, and nursing. Most of the vocational students really enjoy these classes and appreciate the permanent job skills they attain.

This years Student Council was involved in many school related activities.

This first major event was, of course, Homecoming, and the election of the Homecoming Queen with her court and the King's court.

Also, in the fall of the year we ran our annual Blood-Mobile which was truly a community event.

Of Course, we held our monthly class dances, including the Christmas Dance with Santa in attendance.

New this year on our schedule of events was Teachers Week. Each day for one week, the Student Council awarded a special gift to each teacher.

We also held a MORP Dance, standing for a backwards PROM to raise money for the Junior-Senior Prom in May. The MORP Dance began with an informal pizza dinner, followed by a fashion show of prom gowns and tuxedos with a dance afterwards.

The 1982 Junior-Senior Prom was held at the Hyatt Regency in Flint.

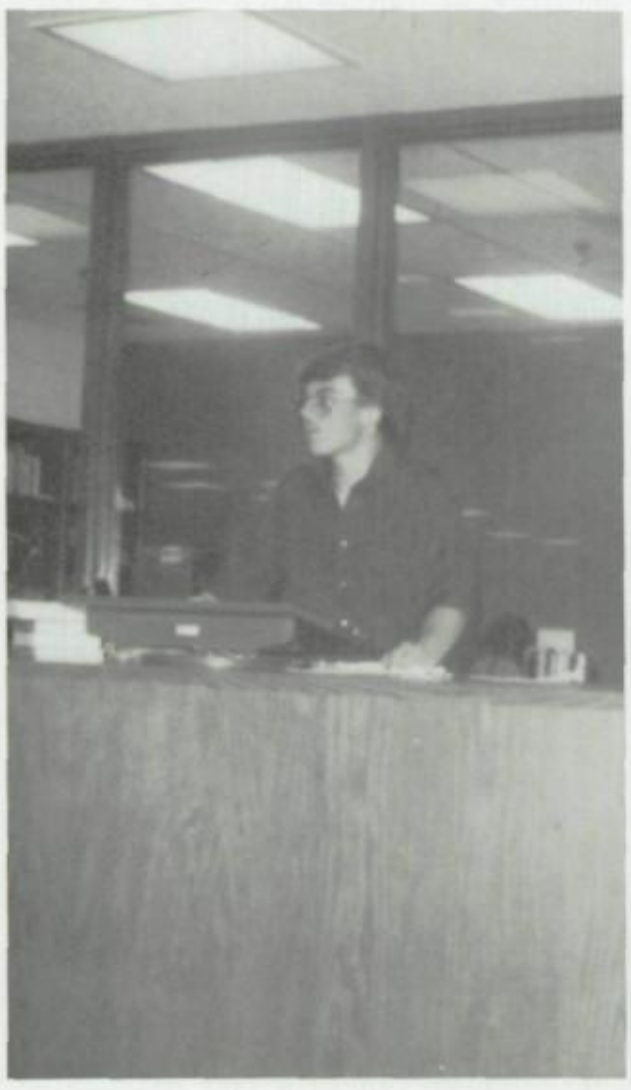
Book Reviews 1982

This years English Literature class presented Book Reviews of many famous English authors. The students invested much time and effort into researching and preparing for their presentations. The presentations were held in the library and were attended by any students who were interested. Much credit to Dr. Ford for coordinating these reviews. The students who participated are: ***Back Row:*** Jim Logan, Tamara Lamb, Jane Juve, Thad Quinlin, Mike Dickinson. ***Front Row:*** Terry Niswonger, Phil Pascucci, Kim Ford, Amy Gitre, Patty Van Luven, Sue Luce, Phil Frantz, and Kathy Parrot.



Morp

On March 19, the Linden High students held its first annual backwards prom, THE MORP. The night began with pizza and pop for everyone, followed by a fashion show previewing formal prom wear. The girls modeled dresses from Brooke's while their escorts were suited in tuxedos from Gingiss Formalwear. The evening concluded with a dance.

An Evening Of Dance . . .

Just Between You And Me

The 1982 Junior-Senior Prom was held May First Nineteen Hundred Eighty Two at Flint's Hyatt Regency. Chaperones included Miss Anne Jones, Miss Cathy Findlater, Mr. Michael Kerner, Mr. Joseph Piwowarczyk, Mr. Roche LaVictor, Mr. and Mrs. Roy Raymond, Mr. and Mrs. Wayne Collard, and Mr. and Mrs. Cliff Totzke.

The evening began with each couple being photographed by a professional photographer from Berryman's Studio. A sitdown dinner was then served which preceeded a night of music and dancing. In conclusion, this year's prom was a great success and will probably be remembered by all who attended.

I wonder where the guys are . . .

. . . And Romance . . .

Do you think the girls are still dancing?

Young Dracula

This spring the 5th hour drama class put on the play ***Young Dracula.*** The class started working on the play at the beginning of second semester and the main characters even worked during Easter Vacation.

The plot involved a group of American students who were on a "tramping through Europe tour" and found themselves lost in the Carpation Mountains. The story grew into a chilling experience when the students paid some eerie looking hosts to allow them rooms for the night in a huge castle. The students soon found out that they were in no ordinary castle. Strange things started happening, including the sighting of Dracula, himself.

Overall, the play was a real success. A lot of the credit goes to the director and 5th hour teacher, Donna Tomchuck. She gave many hours of her own time in order to make the play successful. A let's not forget the behind the scenes crew, they deserve a real "hand".

Top Left; This is one time I'd rather be in class.
Above; Boy, did we work up a thirst, today!

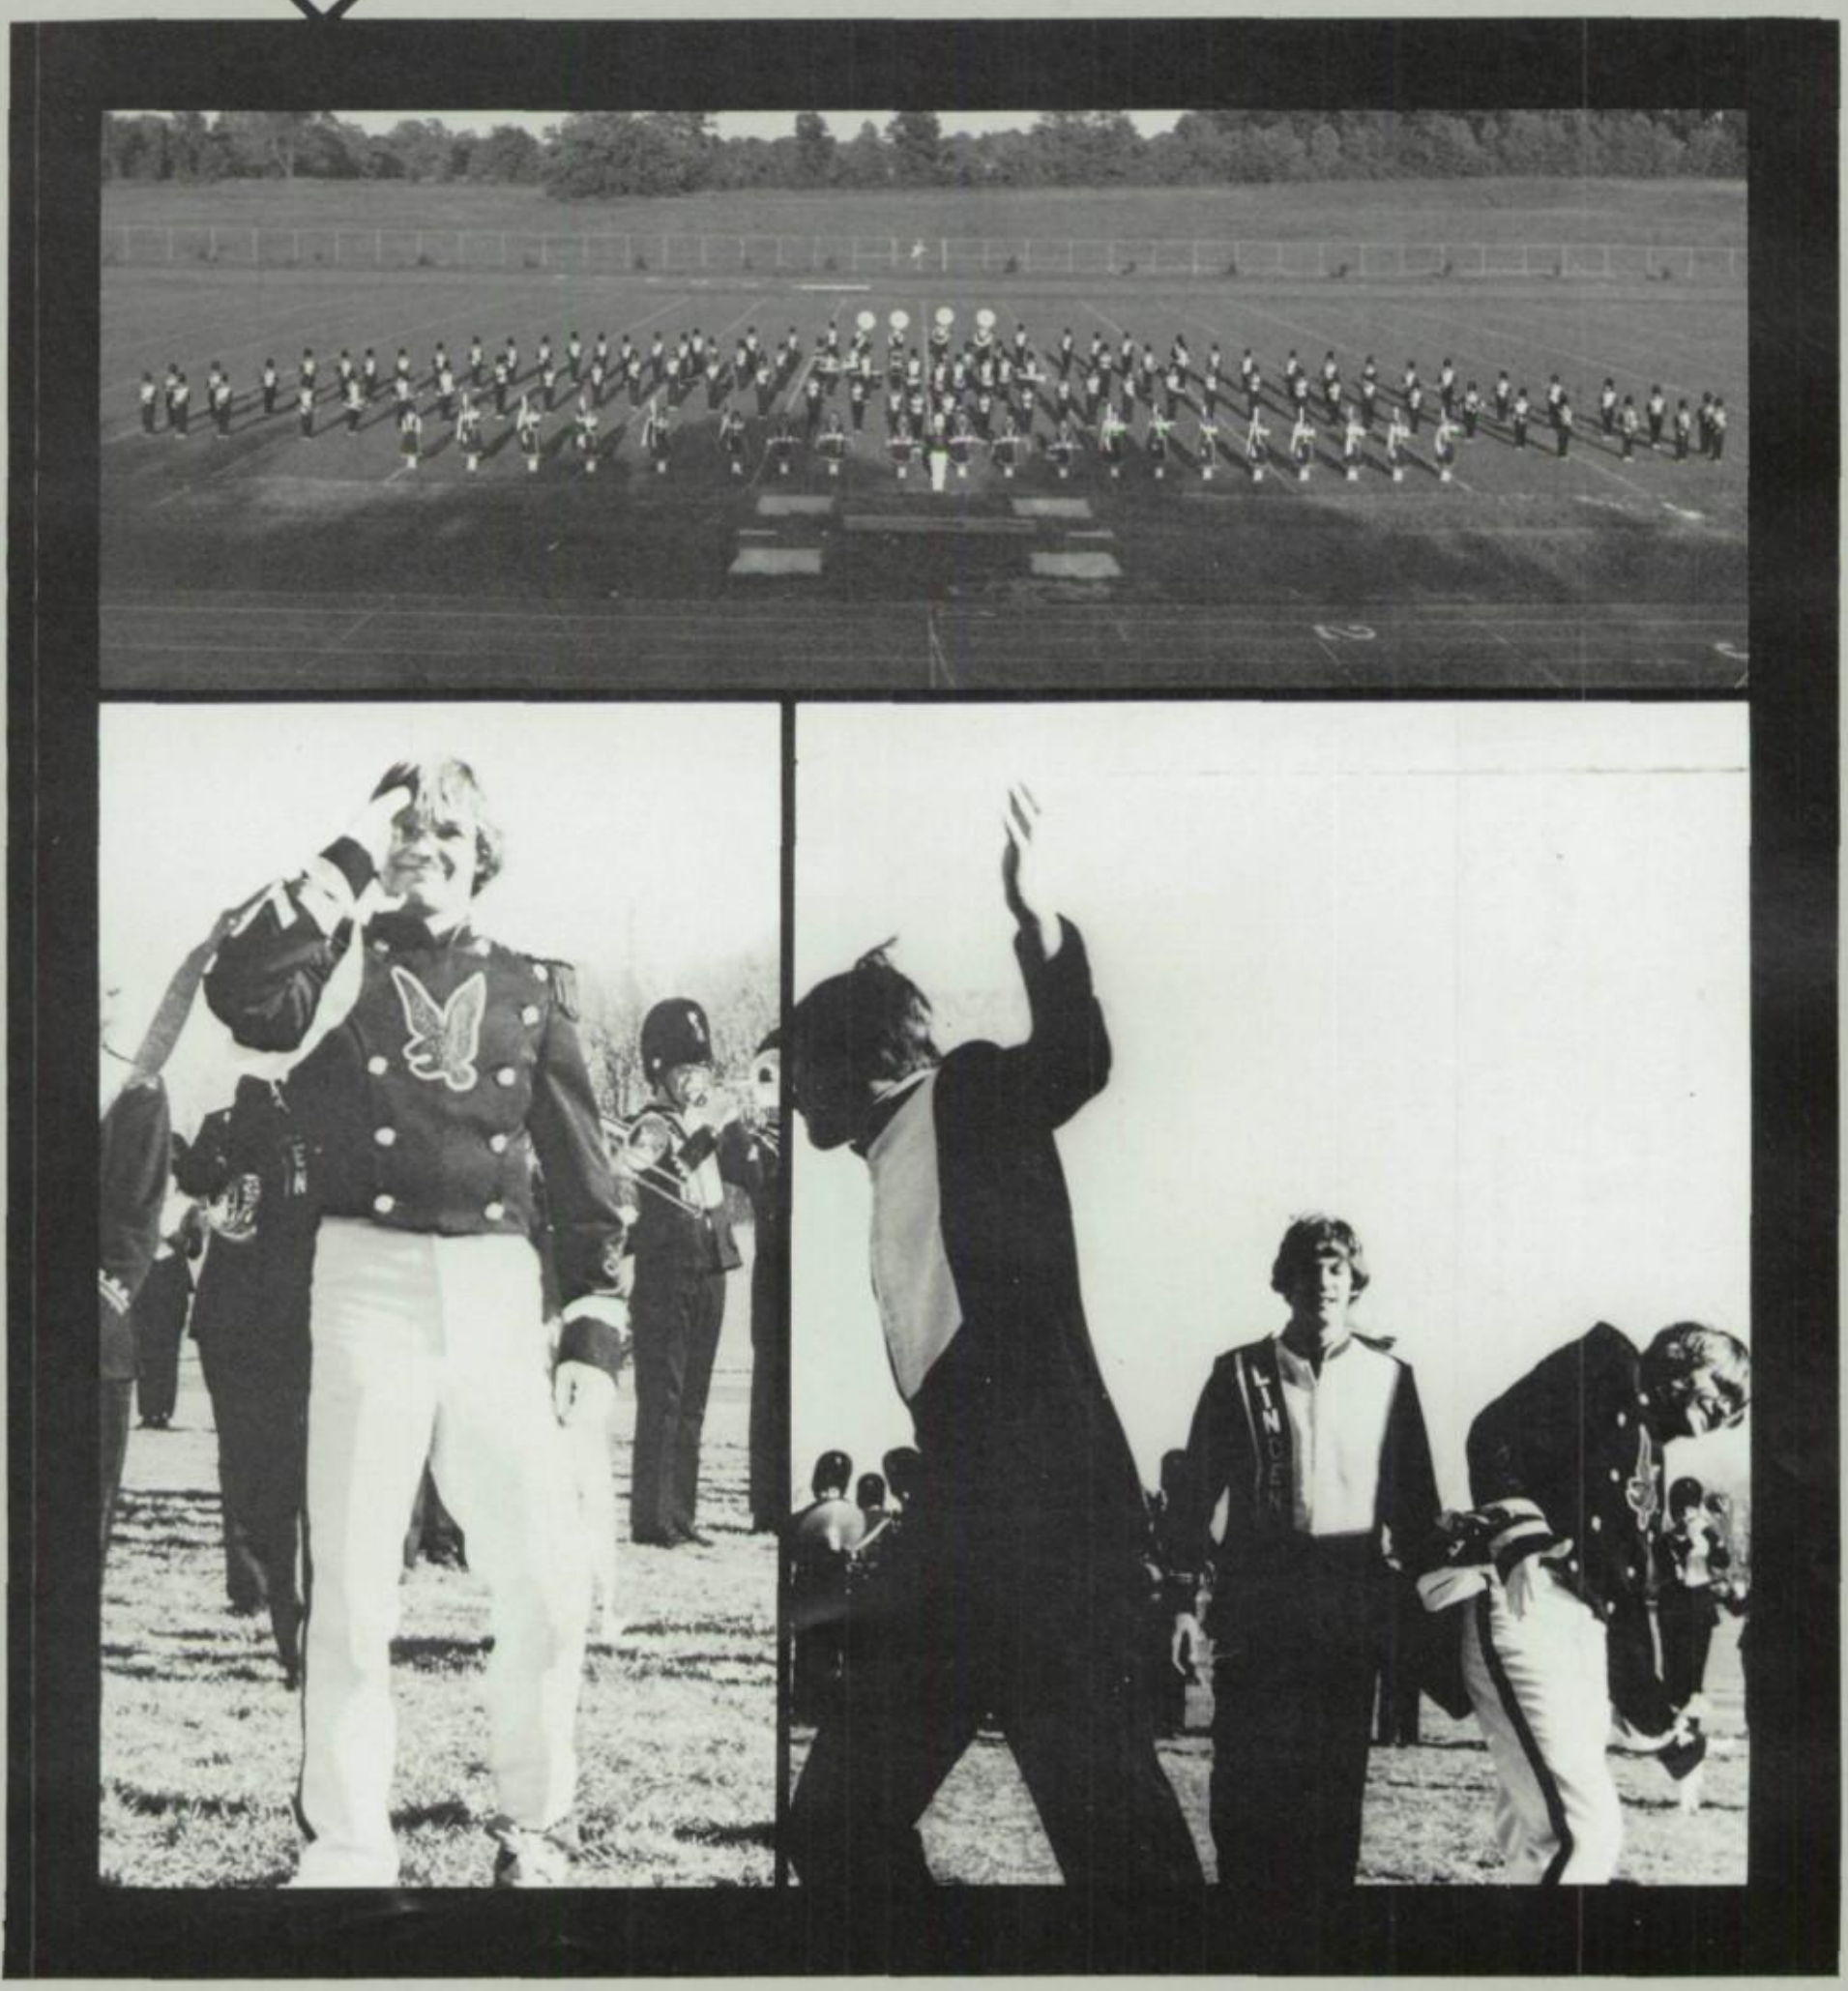
The Bloodmobile is an annual event at the H.S. Students who are willing, (Ha-Ha) contribute blood to the Red Cross.

To make the experience even more ***frightening*** to the students, a couple of female Dracula's roamed the school, and drew blood in their own way!

No, your mother can't be here.

Linden Bands

Will the Linden Bands survive budget cuts . . .?
Will Linden Bands win a competition . . .?
Can they take a "1" at festival . . .?
Will Phil and Paul keep the band in step this year . . .?



Wind Ensemble

The Linden High Band was definitely busy this year. The Marching Band went to Band Camp, marched in parades and did half time shows at all the home games. The Concert Band did three major concerts, put on a Band Carnival and the "Band Bounce 82". Also, many of the band members were active in playing in the pep band for basketball games and pep rallies, and they formed a stage band for the variety show.

The marching band was led by two new drum majors, Phil Frantz and Paul Dagenais. They prepared for the job by attending drum major camp and they provided excellent leadership. They even kept Monica and Judy in step (most of the time).

Special awards went to Steve Kuciemba — Arion Award and the John Phillip Sousa Award went to Steve Dagenais. Also, Steve Kuciemba and Sue Luce were honored as King and Queen at the Band Carnival.

Despite budget cuts and their heavy reliance on incoming freshmen this year, the band did a tremendous job.

Visions

I'm dawn of sweet time of
yesteryears twelve
we began.

I Genesis

From homely seclusion into a
new strange world.

We were cast like Eaglets
from our own haven nests.

Juvenile minds with unlimited
potential

Sought to open the door of knowledge.
By loving guidance in our fate-
ful youth.

We battled through years of
hardships and bliss.

Then, like golden feathers re-
flecting God's sun,

We Eagles shone, much brighter
than the rest.

Learning to read and write
like poets,

Poems we wrote of strong
pride in young dreams.

Adding, subtracting like ac-
countant wizards,

Dignified goals soon prospered
with meaning.

Dedicated to the Senior Class of 1982.

VISIONS

With the passage of years and maturing of
dreams
We will remember.

II Terminous a quo
Onward, to far horizons shining
This class will journey divided roads.
Despite life's miles between us friends,
Hued school day memories to our hearts will
be gold.
Reminiscing about days of dreams
When life was a game and we were unsure,
Wise eyes will glisten, warm faces will smile
For this Senior class of distinguished students.
Our precious years, like autumn leaves
So briefly existent, so eternally cherished
Are grains of sand on a tropical beach,
Building in unison the simple word . . .

Hey Paul, look at that.

A couple of hams.

Did you watch the Dukes Of Hazzard last night?

There must be something very interesting for them all to sit there.

Don't I have pretty hair?

Please don't hit me.

That's right we're bad.

My hands interest me.

Ronda forgot to smile.

Aren't we pretty?

Do you want a bite?

I can work a computer.

That's Freshmen for ya!

Cindy and Jodi going to class, that's a laugh.

Girls Track

The 1982 Girl's Track Team had a league record of 1 win and 8 losses, but it did not reflect the effort these girls put out.

There a lot of new records set by several girls. Penny Garrison set a freshman record for the 100 meter dash with a time of 14.0. Anastasia Kogut broke a class record in the discus, with a toss of 89'6". A school record was broken by sophomore standout Kris Mann in the 100 and 200 meter low hurdles.

Coach Smith was proud of the enthusiasm and spirit the team showed throughout the season. The coach felt with the steady improvement the team made, next year will be one to look forward to.

Back Row: Coach — Tom Smith, Kris Mann, Alison Kolch, and Kim Cudworth. ***Middle Row:*** Yuniko Kawamura, Penny Garrison, Michelle Grasley, Anastasia Kogut, Cheryl Wales, Robin VanHouten, Joann Gallogly, and Renata Skurka. ***Front row:*** Sue Alger, Tracy Tunningly, Colleen Weston, Robin Bryl, Sharon McRill, Judy VanHouten, Tina Hradowski and Chris Brown.

This year Linden's J.V. Softball Team consisted of 15 girls. Although the season wasn't as successful as they had hoped, the girls had a good time in the attempt. Things do look brighter for the future however, as eight freshmen will be returning as sophomores with more skill and experience.

Awards were presented to: Julie Morse; Most Valuable, Valerie Prior; Most Improved, Barb Dougherty; Most Spirited.

That's what you call a team of inspired ball players!

Junior Varsity Softball

Back Row: Cindy Leek, Barb Dougherty, Julie Morse, Peggy Kelly, Lori Sherman, Teresa Holslinger, Michelle Ackley, Donna Augustine, Valerie Prior, ***Middle Row:*** Jody Lane, Kim Poland, Teresa Moore, Jennifer Buckler, ***Front Row:*** Julie Hutchings, ***Coach*** — Katie Fairchild, Audra Lake

t's just tell the coach an epidemic of broken legs has hit Linden!

Varsity Softball

Back Row: Coach LaVictor, Peggy Miller, Gina Jenkins, Kim Huot, Holly Whethers, Barb Kelly, Judy Dean, Vicki West, Carrie Holslinger, Kim West (manager). ***Front Row:*** Sheryl Urban, Debbie Johnson, Ann Barron, Amy Gitre, Lynette Wolverton, Mitzi Knaggs, Kim Weaver, Julie Gutierrez.

Teamwork?

I don't need smiles, I need runs ...

... Ah, come on coach, this is fun!

A relatively young and inexperienced Linden varsity softball team saw themselves complete the season with a 6-25 record. While there was great hope for a successful campaign as the season began, an extremely tough schedule and the team's lack of a few key personnel soon hindred their chances. A 5-9 league record, good for a 5th place finish, did help to sooth a few wounds. All was not gloomy as a few players had fine years. Junior Sheryl Urban and Senior Debbie Johnson were both selected 2nd Team All-League. Seniors Barb Kelly and denise Ludwig were both named honorable mention.

This year's awards went to:

Denise Ludwig	Most Valuable
Judy Dean	Most Outstanding
Mitzi Knaggs	Most Improved
Sheryl Urban	Coach's Award

Varsity Baseball

The 1982 Varsity Baseball team had a respectable season considering their reliance on a number of young players. Finishing off the season with a 19-12 overall record and capturing 3rd place in the G.E.C. with a 9-4 record, Coach Hopkins expects to have a strong nucleous to comprise the 1983 team. Some of the young standouts were: Freshman Chad Joslin, pitching 4 wins and 3 loses and striking out 54 batters, and Sophomore Charlie Rice pitching 6 wins and 1 loss and striking out 53 batters. At the plate, Sophomore Scott Smith who achieved an impressive 426 batting average and 27 walks, breaking both of these school records. Junior Rob Thompson earned a 349 batting average and broke the school record for stolen bases with 21 and joining him is Junior Mike Ryan who achieved a batting average of 292 and led the team with 5 home runs.

This year, as every year, the Baseball team will suffer the loss of several outstanding seniors, many who have participated throughout their high school years. Two of these 5 seniors which deserve special recognition are Scott McClure achievin a 385 batting average and tying a school record for 29 RBIS and breaking another school record for 37 hits. Joining Mc Clure is pitcher Scott Morse, striking out 68 opponents an having a personal record of 6-4, he had a E.R.A. of 245. Othe seniors which played an important role in the teams succes were: Bryan Feetham, John Harwood and Tony Magalski.

Eagle team member receiving All League, 1st Team recogni tion were Scott McClure for the second year. Second tea awards were given to Duane Dial as D.H. and Charlie Rice fo pitching. Receiving Honorable Mention were Mike Ryan, Ro Thompson, Scott Morse, Scott Smith, Bob Fleming, and Cha Joslin. Receiving 1st Team All District Honors were Scot McClure and Scott Smith and the opportunity to play in th Genesee County All-Star Game. Special team awards were giv en to Tony Magalski for Most Improved and Scott Smith fo Most Valuable.

Team Members: Coach Hopkins, Tony Magalski, Charlie Rice, Duane Dial, Mike Ryan, David Giovannini, Rob Thompson, Sc McClure, Jeff DuBois; Front Row: Bryan Feetham, John Harwood, Scott Smity, Don Blank, Scott Morse, Chad Joslin, and B Fleming.

J.V. Baseball

Back row: Chris Smiencinski, Mike Merchant, Mike Ackley, John Schoeppach, Vince Tata, Craig Smith, Gregg Huyck, Dave Freeman, Blake Fayling, Coach — Al Bourdon.
Front row: Rich Varner, J.C. Smith, Bob Robinson, Brian Drabik, Paul Ryerson, Scott Frappier, Paul Feetham, Manager — Dave Irwin.

The J.V. Baseball team was comprised of 16 hard working ball players. Compiling a 15-12 overall record, and a 9-5 league record was the result of lots of hard work and dedicated hours to build a solid foundation upon which the future of Linden baseball will be based.

The team hit at a .291 batting average, with 7 players hitting over the .300 mark for the season. Of the regulars, who played most every game, Vince Tata led the team with a hefty .397 batting average, getting 29 hits in 73 times at the plate. Thirteen of Vinces 29 hits were for extra bases, as he led the team with 7 home runs, 2 going for grand-slams. Mike Ackley had a fine season at the plate. Hitting .354 batting average and also getting 1 home run for the season. As a regular, Dave Freeman hit .327 and led the team with 7 doubles, and drove in 25 runs. As a Freshman Craig Smith had a fine season at the plate, hitting .310, getting 4 extra base hits and finished second to Gregg Huyck in the stolen base department, with 12 thefts. John Schoeppach was the mainstay of the pitching department as he compiled a 7-2 won-loss record, striking out 79 of the 160 hitters he faced in 52 1/3 innings. John got lots of pitching support from Gregg Huyck, in his second year as a J.V. starting pitcher. Gregg had a 7-4 won-loss record, facing 305 hitters in 56 2/3 innings, and striking out 53 of them. Gregg finished with a fine 4.57 E.R.A.

Lunch Is Over . . .

After lunch is over, many of the students take this time to review what they have learned the first 3 hours of the day. Likewise, many students are taking advantage of the spare time to prepare for the last 2 hours of the day.

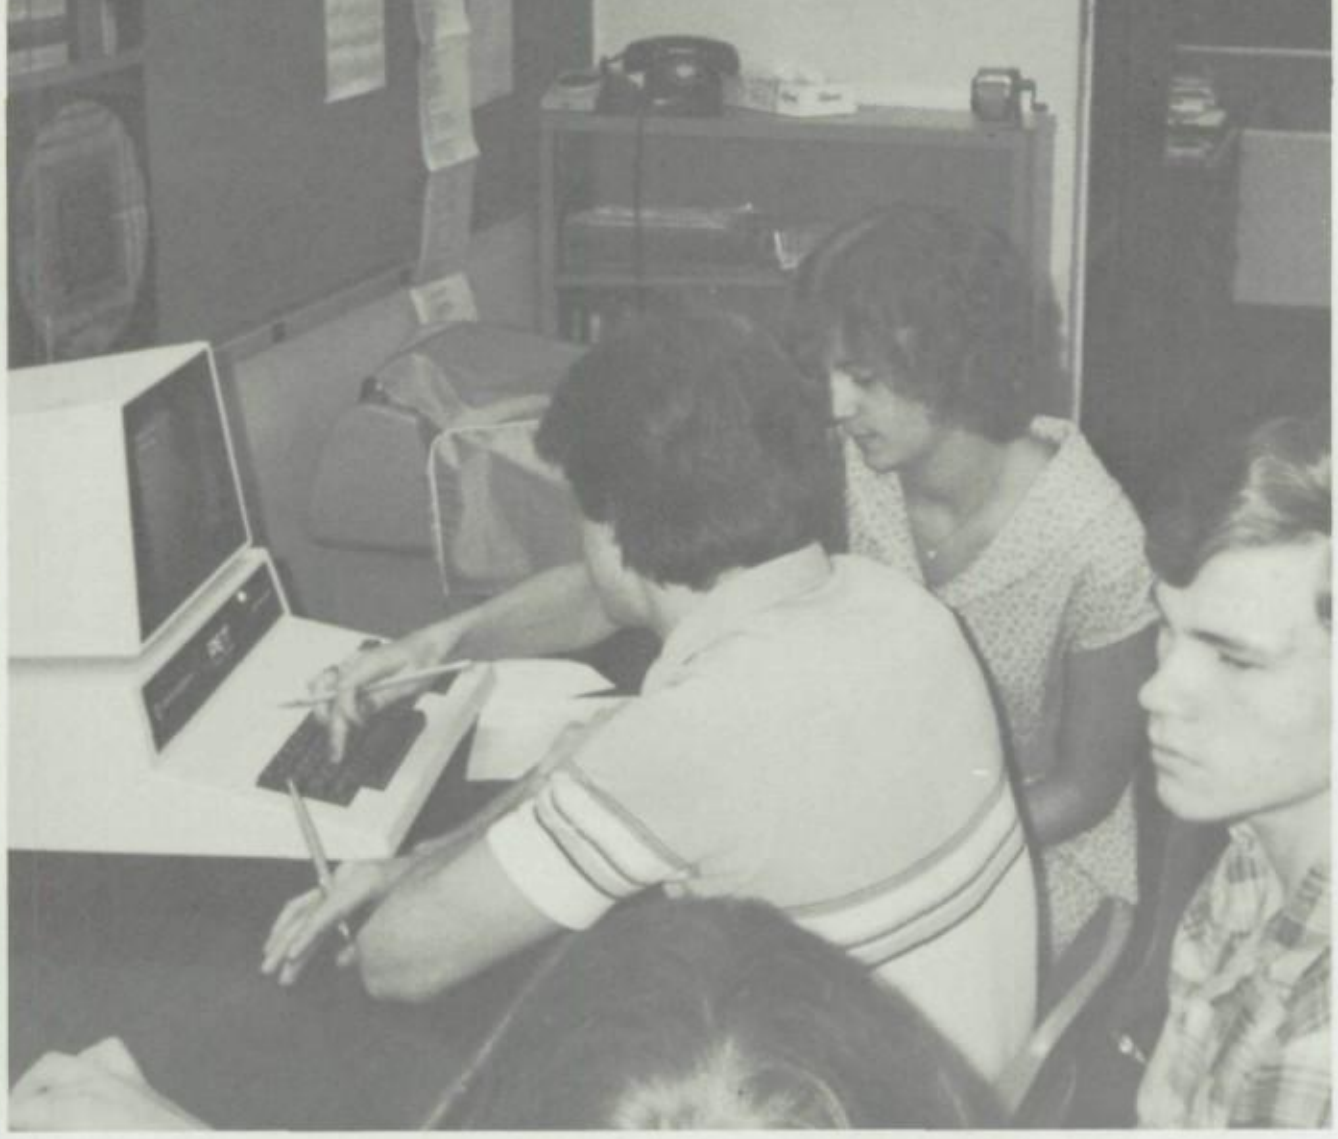
But like all good things, lunch comes to an end and the students vigorously head towards 4th hour. (Except for Al, he's back for seconds.

. . . Back To Work

4th hour here we come!

I wouldn't mind 4th hr. if it wasn't so cold.

Paul's ready!



Maybe we can program 4th hour out of the school day.

Tracy can't seem to find 4th hour.

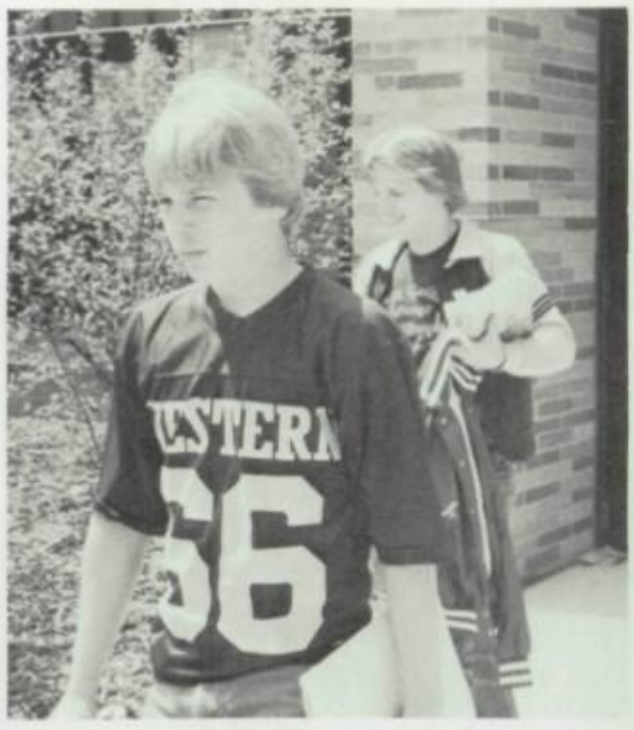
As you can see above, the pre-excitement of 4th hour has carried into the classroom. And as 5th hour comes to an end, many teachers must literally force their students out the door. But alas, even the buses won't wait for education and the rush to get the window seat is on.

Carole decided to drive to 4th hour.

T-Minus 20 Seconds

And They're Off

We're Out Of Here



And General Hospital Here We Come!

And as the school year comes to a close, some members of the yearbook staff take time to reflect back on the "Day's of Our Lives". They are also tuned into the biggest event of the year, the "Luke and Laura", OOPS, I mean the Vicki and Al wedding. At the same time, they are wondering what next year will be like.
